HOW BUSINESS ARCHITECTURE AND BUSINESS ARCHITECTS HELP ORGANIZATIONS WITH ETHICAL CONSIDERATIONS

ETHICAL DECISION MAKING

- ✔ Enable Good Decision Making Through an Understanding of the Full Picture and Impacts
- ✔ Identify Where Ethics Apply and Facilitate Gap Closure
- ✔ Enable Balance Between Short- and Medium-Term Organizational Goals Versus Longer-Term Societal Goals
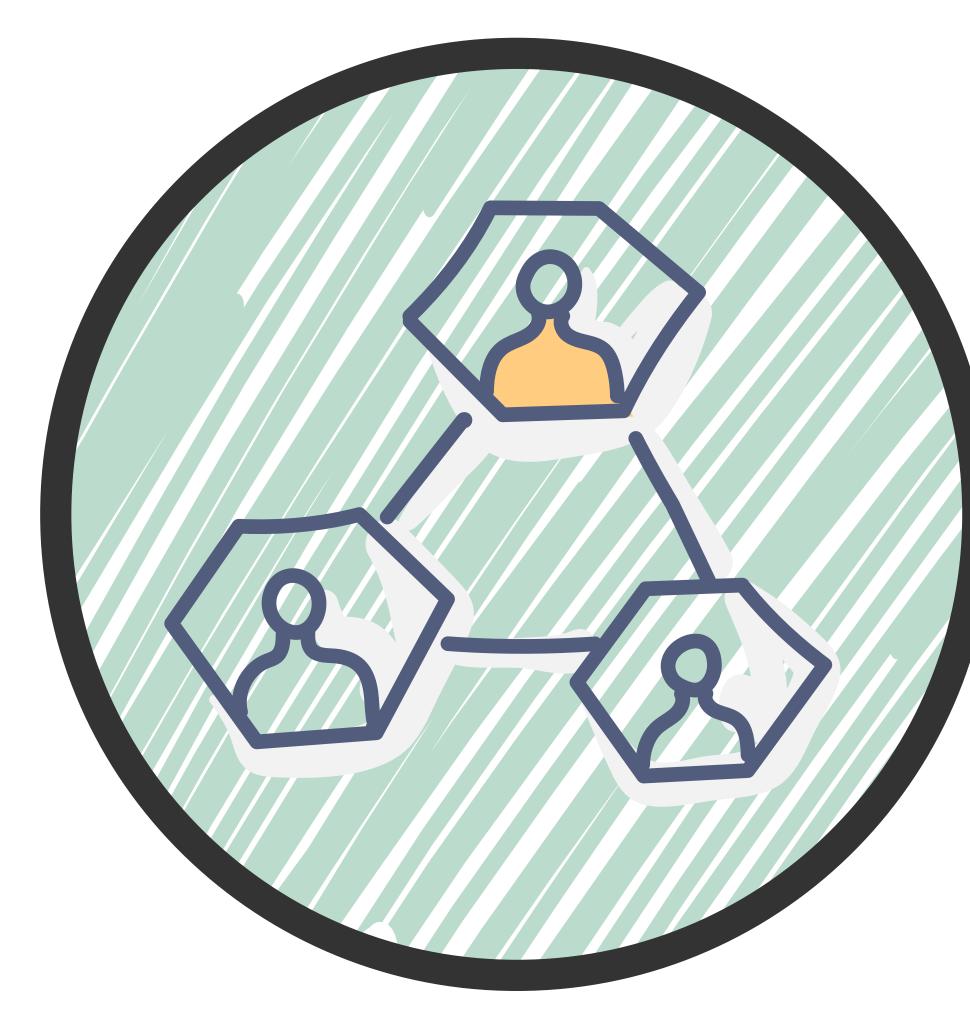

ETHICS TRANSPARENCY

- ✔ Track and Demonstrate Where Ethics and Policies are Applied Within A Business Content (Even For Technology, e.g. Algorithms)

ETHICS CONSIDERATION & ENFORCEMENT

- ✔ Facilitate Consideration For Relevant Ethics and Policies Within a Business Context to the Right People and the Right Time
- ✔ Raise Potential Ethics Concerns in a Fact-Based Manner
- ✔ Integrate Ethics Implementation Plans (e.g. Workforce Development Strategy) into Strategy Execution

ETHICS LEADERSHIP

- ✔ Extend and Inspire an Organizational View of Ethics to a Greater Responsibility Around TSR, CSR and Sustainability
- ✔ Lead by Example Through Adhering to an Architect Code of Ethics
